GREETINGS

Again we wish to say "thank you" to our many customers, both old and new, for your orders in 1951. It is always a pleasure to receive and fill your orders. Our bulb business has grown so fast that we again had to refuse orders in spite of our greatly increased stocks.

At this time we have just completed our bulb harvest and can truthfully say have never seen a cleaner or more beautiful lot of bulbs. All our stock is grown in light, sandy soil with plenty of water (irrigation) and allowed to mature fully before harvesting. After digging they are washed immediately, dried quickly, then dusted with D. D. T.

We are sure that you are going to be well pleased with the bulbs you will receive from us this year.

It is with pleasure that we are listing the varieties of Mr. N. H. Lines of Rainbow Gardens. We have grown all of Mr. Lines varieties and can recommend them to you.

— REGRETS —

Did you order Salmon's Glory from us last year? Some of our stock of Salmon's Glory became mixed. So if you ordered Salmon's Glory and got mixed bulbs, please let us know and we will gladly refund or replace with a different variety. We did not know about this until ours bloomed this summer. For this we are very sorry.

— GUARANTEE —

We guarantee all bulbs to be full size and free from disease and insects. We will replace stock or refund purchase price of any bulbs that do not meet the above guarantee. We do not guarantee the bulbs you harvest, as your ground may be infested with disease or insects.

— TERMS —

Due to the cost of handling and packing we cannot fill orders of less than \$2.50 from the Retail List or for less than \$4.00 from the Wholesale List. All orders must be accompanied by cash in full or 25% deposit will hold orders of \$5.00 or more for April delivery. Balance must be forwarded before delivery. All cash retail orders will be sent prepaid by Parcel Post or Express. All wholesale orders F. O. B., Westerly, R. I. Please send money by Check or Money Order, not by cash or stamps. Five or more bulbs may be purchased at the ten rate. If you live in Rhode Island please add 2% Sales Tax to total amount of order.

— EXTRAS —

On all Cash orders of from \$3 to \$15 you may select 10% in extra bulbs. On all orders of \$15 or more 15% in extras may be selected. This does not apply to the Wholesale List. We can fill orders until May 15th.

— PLANTING DIRECTIONS —

We will include full planting and growing directions in all retail orders.

1952 INTRODUCTION

QUEEN'S LACE—401 (Howard '52) 85 DAYS

Parents — Corona X Burma

It is with pleasure that we present Queen's Lace as our 1952 Introduction. We have picked this one from several outstanding seedlings because of its great beauty and extremely heavy ruffling. During the years we have been growing glads have seen and tried hundreds of varieties but have yet to see one with as heavy ruffling as this. It is practically corrugated and has extremely heavy texture. It is creamy white, almost a cream with two rose (Burma Color) darts in throat. One on each lower petal. The following description is just as we grew it this summer in our field. Opens 5 to 6, $4\frac{1}{2}$ in. florets on a very heavy straight stem. Has 16 to 18 buds on a 22 to 24 in. flower head. Height in field $4\frac{1}{2}$ feet. Florets open wide and have excellent attachment. Have never seen a misplaced floret to date. An extremely heavy propagator. Bulblet germination excellent.

We use it extensively for hybridizing because of its ruffling and texture. (See Cover picture.)

Price—\$2.00 per bulb, any size. Bulblets 10 for \$2.00.

PREMIUM SEEDLING

This year we are again offering a seedling bulb free with each order of \$5.00 or more from our Retail List. This is in addition to our usual extras and over-count. We think this seedling well worth growing, and are quite sure you will like it.

Seedling R-47-30 (450)—Parents Red Charm X Myrna.

Beautiful Scarlet Red—Lighter than Red Charm. Opens 6-5 in. florets on straight slender whippy stem. A very good grower and propagator. One to a customer.

BULBLETS

We are not listing bulblets but can supply them on most varieties. If interested please drop us a card listing varieties wanted. Will be glad to quote prices.
